WATER LINE, SHORT DESCRIPTION	1	This short textual description of a specific water line (for an aircraft) on an airframe.	WATER_LINE...	1	0	0	1	1	0.002068437794469
ACQUISITION, SOURCE CODE	2	This attribute is a code identifying the originating source from which the component was acquired.	ACQUISITION...	2	0	1	1	1	0.002068437794469
POWER, PLAN...	3	This attribute is a code identifying whether the installed component was an engine.	COMPONENT_P...	1	0	1	1	1	0.002068437794469
BUSINESS, CODE	4	This attribute is the Boeing assigned identifier for an enterprise that deals with aircraft in some...	AIRPLANE_CO...	1	0	1	1	1	0.020466198355683
WORKING, TOGETHER, PARTNER...	5	This attribute identifies the date a three-letter BUSINESS CODE (designator) is changed.	BUSINESS...	8	0	1	1	7.05000...	0.016127432627939
TRANSACTION, TYPE CODE	6	This attribute identifies the short name for the working together partner for reporting purposes	WTP_MEMBER...	1	0	1	0.5	5.65000...	0.002068437794469
MAINTENANCE, FACILITY, TYPE CODE...	7	A code that tracks changes to the status of an aircraft.	AIRPLANE_STA...	1	0	1	1	1	0.002068437794469
MAINTENANCE, ACTION, TYPE CODE...	8	This attribute is a code identifying the type of maintenance facility performing the shop maintenance.	MAINTENANCE...	2	0	1	1	1	0.002068437794469
MAINTENANCE, ACTION, TYPE CODE...	9	Textual description of an action taken to perform a specific maintenance activity.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TRANSACTION, NAME	10	This is the validation code for a specific action taken to perform a specific maintenance activity.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TRANSACTION, TYPE, ABBREVIAT...	11	Describe the transaction type code	AIRPLANE_STA...	1	0	1	1	1	0.002068437794469
MAINTENANCE, ACTION, TYPE RE...	12	The attribute is an abbreviation for the transaction name.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
WATER LINE CODE	13	Textual description, for reporting purposes, of an action taken to perform a specific maintena...	MAINTENANCE...	1	0	1	1	1	0.002068437794469
WATER LINE, LONG DESCRIPTION	14	A code identifying the specific location (on an aircraft) for a particular water line on the airframe.	WATER_LINE...	1	0	1	1	1	0.002068437794469
TO, WATER LINE, NUMBER	15	The attribute defines the date for the transaction at the end of the reporting period.	WATER_LINE...	1	0	1	1	1	0.002068437794469
MAINTENANCE, FACILITY, TYPE D...	16	The long textual description of a specific water line (for an aircraft) on an airframe	WATER_LINE...	1	0	1	1	1	0.002068437794469
TO, BUTTOCK LINE, NUMBER	17	A number defining the ending waterline, within a range, for a particular aircraft model, which...	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, SUPPLEMENTAL MAINTENAN...	18	The attribute describes the type of maintenance facility performing the shop maintenance.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, BUTTOCK LINE, NUMBER	19	Identifies the ending supplemental information, within a specific range, related to a pressure...	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	20	The attribute identifies the nomenclature of the part and is the longer version.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	21	A number that defines a specific ending buttock line, within a range, where damage was found...	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, SECTION CODE	22	A code defining the specific ending section of an aircraft according to manufacturing plant.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, SECTION CODE	23	The attribute is the description of a coil identifying the type of line activity being performed	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, SECTION CODE	24	The side of the aircraft, in relation to the ending buttock line, where the damage was located	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, SECTION CODE	25	This is the percentage of the identified maintenance actions to the total schedule interruption	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	26	Identifies a specific stringer for a specific aircraft model for a particular aircraft.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	27	Identifies the ending maintenance zone for a particular aircraft model series type.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	28	Identifies a specific ending stringer, within a range, for a specific aircraft for a particular aircraft.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	29	The attribute is a brief abbreviation of the description of types of an aircraft component.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	30	The attribute is a unique sequential system assigned identifier for a specific maintenance acti...	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	31	The attribute is the textual long description for a particular type of aircraft component.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	32	The attribute identifies a three-character code representing an aircraft component. When the...	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	33	The data base status change or status entry was recorded.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	34	A code that identifies which side of the aircraft the specific stringer, within a range, is l...	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	35	A code that identifies which side of the aircraft the specific stringer is located.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	36	The attribute is a code identifying the type of maintenance made the mechanics were operati...	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	37	The attribute identifies the series number assigned to the model number identifying customer	MAINTENANCE...	1	0	1	1	1	0.002068437794469
TO, AIRPLANE, MAINTENANCE...	38	The attribute describes the primary division of the various systems of the aircraft.	MAINTENANCE...	1	0	1	1	1	0.002068437794469
